Dear Parents/Carers

As we head towards our Termly Learning Reviews (TLRs), you will soon be receiving your child's progress report. Some of you may notice that your child is in the amber or red for their reading at home. Staff are finding it really difficult to see if the children have read or not because nothing is being written in the home/school reading diary.

Please can I request that you either write a comment or sign in the diary when you have read with your child. Reading every day is crucial for helping the children to become good readers. We teach the skills of reading in school and then the children practise those skills at home. The more they practise, the better they get.

Regular reading will ensure the children are able to access their learning in all subject areas. Thank you for your support. If you have any questions, please do not hesitate to contact me.

Kind regards

Kate Mills
