Headteacher;  
Mrs Kate Mills

Monday 2 March 2020

Dear Parents/Carers

Science week is week commencing Monday 9<sup>th</sup> March. Our focus for the week is "Wild Weather and Natural Disasters". In the news, there has been lots of stories about towns flooding in the UK.

Can your child invent something to solve this problem?

Can it prevent the floods? Can it remove water? Can it help people in need?

On the sheet provided: design your invention in the box and label your design.

Extra challenge: Explain how it would work.

All entries for the challenge must be handed in by Friday 6<sup>th</sup> March to class teachers.

The entries will be judged over the course of Science Week. A winner will be announced for EYFS, Year One, and Year 2 by the end of Science Week.

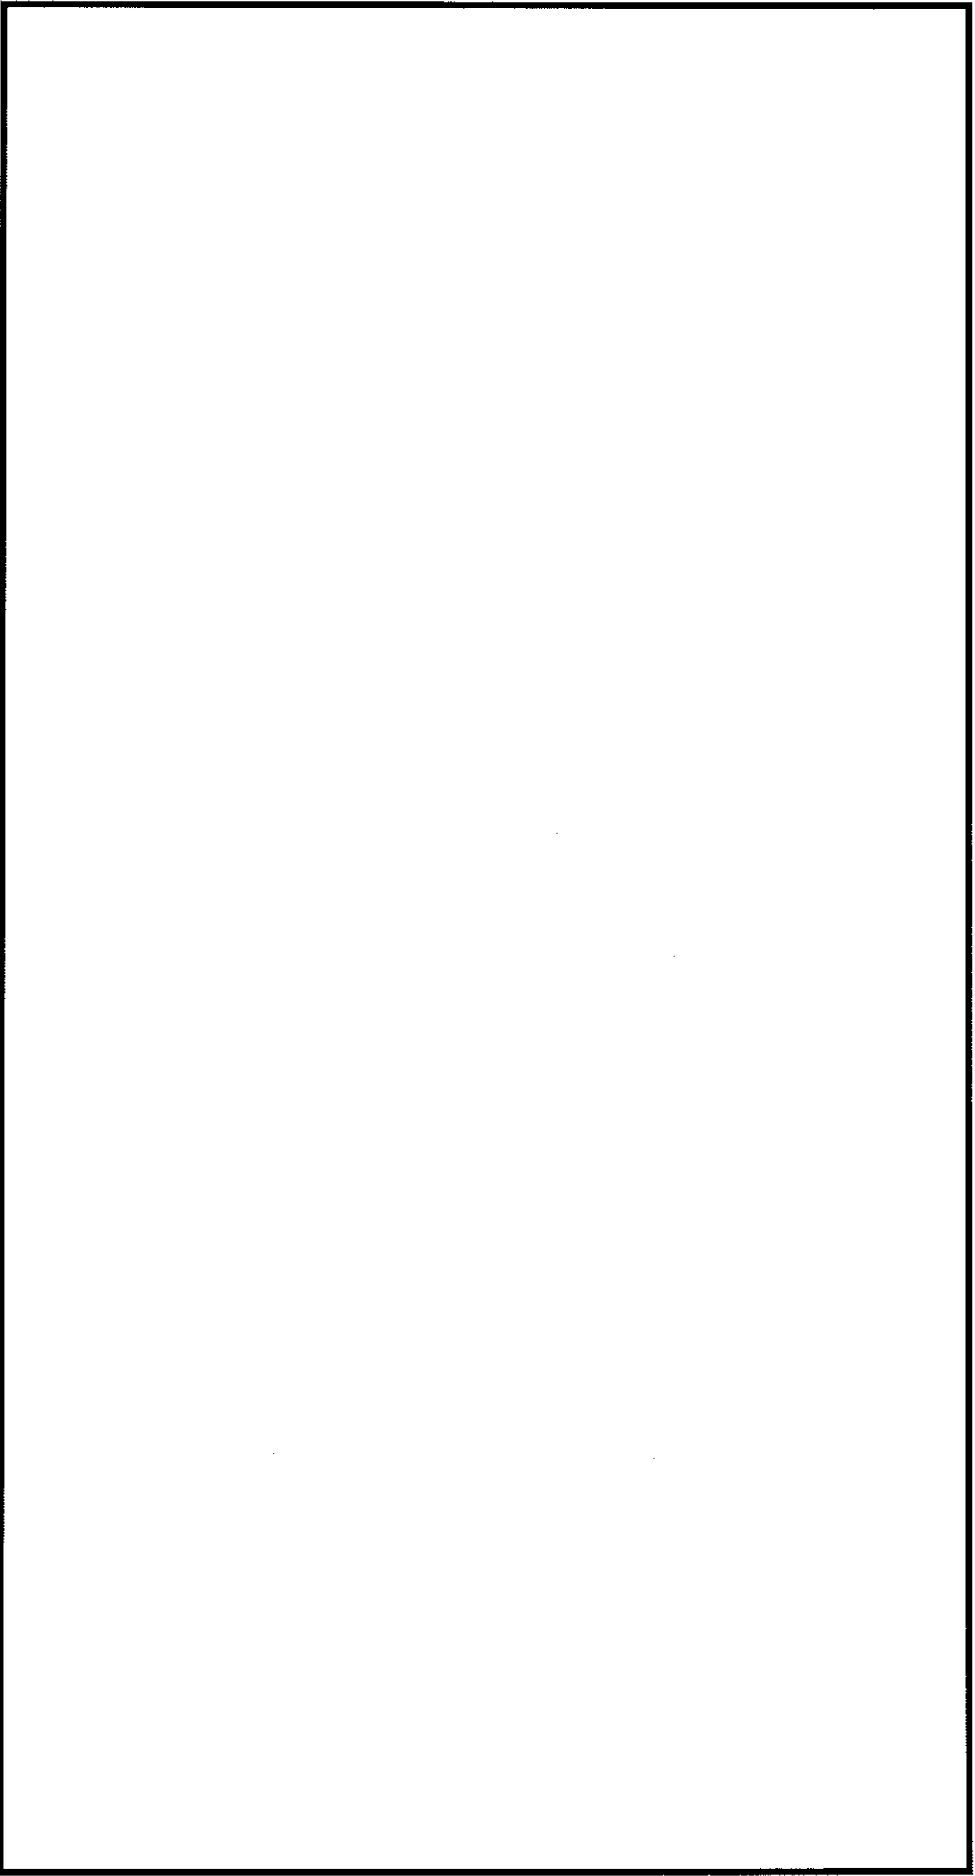

Good Luck John Ray Engineers!

Name:

Year Group (tick): EYFS  Year One  Year Two

**If I was an engineer I would invent:**
