

# This week we are learning...

Week beginning: 16th March

	Year 1	Year 2
<b>English</b>	Using time words and adjectives Planning and writing the ending of The Man on the Moon story	Writing noun phrases using adjectives to describe Writing poems
<b>Maths</b>	Measuring and comparing weight— heavier and lighter	Measuring objects using a ruler
<b>Topic/ theme work</b>	<b>Our Topic Is Space</b> Making a space timeline of important events in our history Making a space buggy Learning about St Patrick	<b>Our Topic Is Africa</b> Finding out about hot and cold places Locating the equator Finding out about Guru Nanuk

## Highlights this week

What an amazing Science week we have had! We've found out all about Wild Weather—including making weather vanes, melting ice, making structures to withstand earthquakes keeping track of the weather and more! We also tested stomp rockets and made special structures as part of a workshop.

Great investigating and engineering!
