Dear Parents/Carers

17<sup>th</sup> March 2020

We would like to inform all our parents of our actions regarding the Coronavirus and our upcoming events.

We as a committee and working alongside our schools, have taken the decision to cancel our upcoming Discos, Easter egg hunt and Easter family bingo.

The PTA has a non-refundable/non-transferable policy for all our ticket sales. However, we are very concerned for our families in these uncertain times and accept that to some, the price of one of our tickets could mean some milk in the fridge and some food on the table. We as a committee last night have therefore decided that we are going to give full refunds to all those that have purchased tickets for the above events. All Monies will be returned via our PTA Events site.

As the Easter egg hunt has been cancelled, we currently have 300 eggs we need to sell to recoup some of the losses during these unusual times. We will be selling these at the front and back entrances to our schools, before and after drop off/ collection on Thursday and Friday this week. Eggs will be sold at the RRP of £1.50. We would really appreciate your support. Please pop along and grab yourself a chocolate egg!

We wish all our families the best of health over the upcoming months and look forward to bringing our schools some events in the summer term.

Your sincerely

The Friends of John Ray Infant and Junior Schools
