

## Africa! Starter

Can you design and make an African landscape in either 2d or 3d form?

1 elephant has four legs, two elephants have 8, continue the pattern using your multiplication skills and record your answers.

Africa is rich in history. What can you find out? (you could choose Ancient Egypt or something more modern like Nelson Mandela)

## Main Course

Can you design your own African print. Do an internet search to give you some inspiration.

Choose an African Animal to draw. Now try to camouflage it into its environment using what you know about where the animal lives.

What are the most popular sports in Africa? Can you choose an African sporting star and write a fact file about them? What has made them famous?

## Dessert

Some Africa animals are becoming extinct- can you write a newspaper report convincing people that this is a bad thing? What can you find out about this?

What can you find out about the favourite foods eaten in Africa? What food do we eat that comes from Africa? Try tasting something new.

One of the most famous tribes in Africa has to be the Maasai Warriors- what can you find out about them?
