Dear Children

Welcome to John Ray Infants, we are so pleased that you will be joining us in September and we are really looking forward to meeting you very soon.

I know that lots of you have brothers and sisters at our school so you know the school already, but for those of you who are new to John Ray Infants, we can't wait to meet you really soon.

In the past, we have been able to organise visits and we are hoping that after Covid restrictions are lifted on 21<sup>st</sup> June, we will be able to offer some transition sessions for you before the end of the Summer term. We will be in touch really soon about these visits.

At John Ray Infants, we do lots of exciting activities and have great fun learning new things. We have just hatched out 10 little chicks and the children have loved looking after them. We do Forest School every week. Our children love going outside and exploring. Everyone loves our pirate ship too!

I know that you will be very happy at John Ray Infants. Visitors to our school say that the children are friendly, polite and very welcoming. We are really looking forward to you becoming part of our John Ray family.

We would like to send out information and dates to your grown-ups soon so please can you ask them to check with the school to make sure we have their email address to make this easier.

Don't forget to click on the link and you can show your adults around your new school [Virtual Tour around your new school](#)

See you very soon

Kate Mills  
Headteacher
