

## Foundation Stage Newsletter and Dates Summer Term 2022

This term our topic is **What a Wonderful World**. We have already started by planting carrots and sunflowers and will be continuing this by growing other plants and creatures! We will also continue going out on local walks to look for signs of the changing seasons. As part of this we are hoping to visit The Wilderness Project at Chatham Green.

This School trip will enhance our outside learning by investigating outdoors on a larger scale, including pond dipping and bug hunting!

### Tapestry Learning

PLEASE PLEASE can you share the learning that we post on Tapestry with your child, as they love to talk about the photos, and tell you about their week. We will also put Home Learning on for you on a Friday to practice a skill or learning at home. We enjoy seeing photos of what you are doing at home.

Let's work together to make this term as memorable and exciting as we can.

### UPCOMING EVENTS

w/c 25 April - Spring walks - any help will be really appreciated, please go to the office to sign up.

Friday 6<sup>th</sup> May - Class photos

EYFS trip to Chatham Green, Sports Day

Den Day, EYFS Celebration assemblies

Dates and more details will follow.

### Snacks

Many thanks for all your donations so far - it allowed us to provide a range of snacks and cooking opportunities for the children. Please could we now ask for another voluntary donation of £5 to allow us to continue with extra snacks and more cooking this term. Please hand your donation to your class teacher. Thank you.

PE This will continue to be on a Tuesday.

Please send your child to school in a **plain** black/red tracksuit, with a **plain** white T-shirt underneath. Please wear trainers that are suitable for running and climbing. As it gets warmer red or black shorts can be worn. Please remove any earrings on PE day.

### Reading and Phonics this term

This term we will be revisiting all the sounds, Fairy and Tricky words we have learnt so far, in both Phase 2 and Phase 3. This will help the children learn to sight read more fluently, blend words together and start to spell simple words in order to write sentences.

Please support your child, and help them develop the Literacy skills they need to be ready for Year 1 by reading at least 4 times each week and practicing the words in their blue books.

Please also to continue to use our Class Library boxes outside each classroom.
