Sickness A reminder that if your child has been sick or has diarrhoea they must stay away from school for at least 48 hours before returning back to school. When reporting your child absent from school, please ensure you call the school office before 9am on each day of their sickness.

Yesterday brought the sad news of our Queens passing. We have spoken and celebrated her wonderful life in assembly today, spending a minute thinking quietly about the great impact she has had on our nation. We thought about how the new King would be feeling. I have encouraged the children to talk to an adult if they are worried about anything they hear in the news. I was so impressed and proud of the respect and maturity they displayed. This quote of Queen Elizabeth the second's seems particularly pertinent today.

'When life seems hard, the courageous do not lie down and accept defeat; instead they are all the more determined to struggle for a better future'.

What a great message for our whole school community.

Tiddly Winkers forms are available from the school office or from our website. Late pick ups **will be charged** to attend Tiddly Winkers. Ask for further information from the school office or find out more on our website.
