We are looking to appoint skilled SEN Learning Support Assistants to support children specifically with ASD and speech and language difficulties. The successful candidates will have proven experience working 1:1 with a child on a personalised curriculum.

Suitable candidates will be able to interact with a wide range of children and use their own interpersonal skills to encourage the most from the children they work with. Suitable candidates will need to be able to complete intimate care, work as part of a team and be able to liaise with other members of staff.

The successful applicant will be organised with good communication skills, able to demonstrate initiative and flexibility, and understand the professional nature of the role.

We are committed to safeguarding and promoting the welfare of the children in our care and expect all staff to share this commitment.
