
This week we are learning

Year 1

	Week beginning 2nd July
English	To look at pictures from a story and make predictions about what might be happening To use those pictures to create our own short stories To understand and recognise **nouns** (naming words) in our writing
Maths	To recognise coins and talk about the value of each coin To use coins in problem solving, and apply our counting patterns to adding up amounts (counting in 2s, 5s and 10s) To make a class pictogram of our favourite vehicles, and answer questions about the results
Topic/ theme work	**This term, our topic will be Transport.** To find out about important people (Amelia Earhart) To order objects from oldest to newest – looking at how transport has changed

This week…

This week we have started to go into our new class to meet our Year 2 teachers. We've had a lovely time!

We have been looking at coins and matching the values, and talking about how much each coin is worth. In English we have looked at a lovely book called 'Journey', and talked about what we can see and what we think might happen. We have made fantastic group vehicles using different art and collage techniques.

Coming up…

Friday 6th July 9.15 am Sports Day all Year 1

Friday 6th July PTA disco 4.15-5.30 KS1
