## SUN SAFETY

All pupils are taught about sun safety at John Ray Infant school. We want staff and pupils to enjoy the sunshine this summer and above all to keep safe and healthy. The following checklist will ensure that this happens.

### Water Bottles:

Please make sure your child brings a named water bottle to school as they will be encouraged to drink water throughout the school day. These bottles should be taken home daily and washed.

### Sun Hats:

Please make sure your child brings a named sun hat to school to wear outside during playtimes and for outside learning.

### Sun Cream:

Please make sure that you apply sun cream to your child before school. Please note that sun block is available from most chemists.
